

# zappi Pedestal

 Mount zappi anywhere

Don't want to mount zappi on a wall? The myenergi pedestal is the perfect solution for mounting up to 2 zappi's back-to-back, in isolation away from the main building, such as on longer driveways, carparks or in public spaces. Our pedestal is light in weight for easy carrying and transportation, though strong as an ox when fixed into place.

## Pedestal Features

-  Corrosion Resistant
-  Suitable for the Mounting of 1 or 2 zappi's
-  Epoxy Powder Coated Screen Printed Logo
-  12 Months Warranty
-  Integral Base Plate for Ground Mounting
-  Subtle and Sleek, Slimline Design
-  Easy to Transport
